

Equity, Diversity and Inclusion Policy
Adopted 7/19/21

The South Huntington Public Library is committed to fostering, cultivating and preserving a culture of diversity, equity and inclusion. We embrace our employees' and community members' differences in age, color, disability, ethnicity, family and marital status, gender identity or expression, language, national origin, physical and mental ability, race, religion, sexual orientation, socio-economic status, veteran status, and other characteristics that make the South Huntington Public Library unique.

It is the South Huntington's Public Library's policy to provide a work environment that is free from all forms of discrimination. The Library views all forms of discrimination as destructive to the Library's mission, vision, values and goals.

The Library's dedication to equity, diversity and inclusion is an active process that requires continuous commitment to promote and enhance the well-being of our staff and community.
